## 2.0 GENERAL INFORMATION

### 2.1 MOBILITY

- The highest category an athlete may enter the sport is Level 4, unless granted by a petition.
- To enter any category above Level 4 the athlete must meet the mobility requirements of the previous category.
- Mobility requirements must all be met at the same time (total preliminary score, DD, and required elements).
- Age splits for Level 1 to Level 6 are set by the PTO based on registration numbers. Recommended age splits are listed in the charts under 3.0 to 6.2. National Events (Elite Canada, Canadian Championships) age splits are also listed for Level 5 to Senior.
- Age is determined by the participant's age as of December 31 of the competition year

### 2.2 MOBILITY OPPORTUNITIES

- L4 athletes have the opportunity to mobilize in their first 5 competitions they participate in each season; examples of mobility events are listed below:
  - Minimum 2, maximum 3 Provincial Cups.
  - Provincial Championships.
  - Eastern or Western Canadian Championships.
  - 1 out-of-province Cup.
  - L5 and higher have the following additional opportunities to mobilize: Elite Canada, Canadian Championships or any International meets recognized by GymCan.

### 2.3 QUALIFICATION SCORES

- Provinces may not set additional qualification scores for attendance to National competitions.
- Provinces may choose to have qualification scores and/or rules for their own Provincial Championships.
- Provinces may set funding scores and/or team requirements for Provincial funding.
- Provinces are responsible to provide to GymCan after each Provincial Cup (trial), the list of athletes that have met mobility. Not providing this information to GymCan will render the athlete not eligible to compete in the new category.
- Host Provinces are required to send results of visiting athletes to GymCan.
- An athlete's home Province is required to notify GymCan of any out-of-Province events athletes are registered for before the event occurs.

### 2.4 ELIGIBILITY FOR NATIONAL COMPETITIONS

- Athletes must attend a minimum of 1 Provincial Cup and or Provincial Championships in the current competitive season to be eligible to attend Canadian Championships. Any petitions to attend Canadian Championships (medical petitions only) must be approved and submitted to GymCan by the PTO for L5-Senior. All petitions for Junior and Senior National Team Members can be sent directly to GymCan.
- Rules in all categories involving mobility must be identical, no exceptions are allowed in these categories, if so, mobility will not be granted.
- Athletes must have met the mobility requirements for their category in order to be eligible to compete at Elite Canada or Canadian Championships.
- Any petitions to enter the sport in a category above Level 4 or to move down a category must be made to GymCan via the athlete's Provincial T&T Technical Committee.

### 2.5 ELIGIBILITY FOR INTERNATIONAL COMPETITIONS

- Athletes from Level 3 are allowed to take part at non-FIG sanctioned activities hosted in USA. They must represent either their club or their province but not Canada. These activities will not count for mobility.
- Athletes who have met the mobility requirements for Level 5 (Novice) to Senior are eligible to attend international invitational activities (competitions, camp, etc.) as representatives of their club or province, only if they have already competed in category Level 5 (Novice) to Senior at a Canadian Team Trial and have hit the International travel score in the previous or current competition season. International travel scores can be found in the document Qualifying Standards.
- To be allowed to compete internationally, athletes must also be competing and supporting the national competitions.
- For all international activities, a sanction form must be filled and sent to GymCan with payment at least 2 months prior the activity.

### 2.6 ELIGIBILITY FOR CANADIAN NATIONAL TEAM

- Athletes must meet qualification scores and requirements as well as rankings required for a specified competition. Team selection documents and rules will be circulated separately.
- World Age Group Teams and Indo's Teams will be selected from Level 5 (Novice), Level 6 (Espoir), Junior, Level 7, or Senior categories. Please note that athletes in levels L6 and above with standards will be granted priority as listed in the Qualifying Standards Document.
- Junior Teams will be selected from Junior category only with gymnasts from 13-16 years old.
- U21 Teams will be selected from Level 7 and Senior categories if an opportunity becomes available for U21 athletes.
- Senior Teams will be selected from Senior category only.

### 2.7 REGULATIONS

- This is only a summary of the regulations.
- For complete rules refer to the FIG Code of Points and section 5 of the Trampoline & Tumbling Program Regulations
